HSEQ Policy

PURPOSE

Goldstar Transport is committed to the HSEQ processes including relevant objectives, targets and legislative standards of its people and its services. Goldstar Transport values each individual employee and recognises that duty of care responsibilities and obligations are a reciprocal relationship between the company and its workforce. Goldstar Transport are committed to delivery of "on-time", cost effective and high-quality Services that satisfy the diverse requirements of our customers whilst maintaining the practice of "Never Do Anything Unsafe" to our people and the environment

APPROACH

- Maintain the practice of "Never do anything unsafe" to ensure, where practicable, no adverse hazards or harm impact on the Company's people or the environment when conducting business operations.
- Comply with all applicable legislation, Australian Standards, other responsible industry requirements to which Goldstar Transport subscribes and strive to meet ISO 9001, ISO14001 and ISO 45001
- Maintain a commitment to continual improvement of the HSEQ Management System to enhance performance and fulfilment of our compliance obligations and our commitment to eliminating HSEQ risks
- Develop methods of evaluating performance for continual improvement of the Company's processes and behaviours when identifying and achieving HSEQ goals as part of the HSEQ Management Plan.
- Implement action plans and risk assessments which establish, monitor and maintain a safe workplace.
- Ensure all mobile vehicles, plant and equipment are maintained in good, safe and appropriate conditions at all times.
- Ensure employees are properly selected, qualified and educated in the Company's HSEQ practices.
- Develop a culture which focuses on injury prevention, fitness for work responsibilities, waste minimisation, pollution control and accountability through transparent recording and reporting measures.
- Communicate this policy across the whole organisation by effectively utilising resources such as toolbox meetings, inductions, notice boards, electronic forms of communication, and / or other means as appropriate.

COMMITMENT, OBJECTIVES & TARGETS

This policy applies to all Goldstar Transport personnel, contractors, and visitors across all projects and operations at all times.

Goldstar Transport Managing Director commits to ensuring the ongoing compliance of HSEQ processes and will ensure all reasonable steps are taken to meet all relevant objectives, targets and legislative standards

Goldstar Transport has established, implemented, and maintained this policy, our objectives and our targets to ensure it supports our strategic direction; including our commitment to provide safe and healthy working conditions for the prevention of work-related injury and ill health, is appropriate to the purpose and to the specific nature of our HSEQ risks and HSEQ opportunities through consultation and participation of our workforce.
